

Employee Handbook — Leave and Time Off Policy

Paid Time Off (PTO)

Full-time employees accrue 1.75 days of paid time off per month, totaling 21 days per year. PTO accrual begins on an employee's first day of employment, though employees may not use accrued PTO during their first 90 days. Unused PTO of up to 5 days may be carried over into the following calendar year; any balance beyond that is forfeited.

Sick Leave

Employees receive 10 days of paid sick leave per calendar year, credited in full at the start of each year. Sick leave does not carry over and does not have a cash-out value upon termination.

Parental Leave

Eligible employees who have completed at least 12 months of continuous service are entitled to 16 weeks of paid parental leave following the birth, adoption, or foster placement of a child. Parental leave must be taken within 12 months of the qualifying event and may be split into two separate blocks of at least 2 weeks each.

Remote Work Policy

Employees in eligible roles may work remotely up to 3 days per week, subject to manager approval. Fully remote arrangements require Director-level sign-off and are reviewed every 6 months. Employees working remotely are responsible for maintaining a reliable internet connection with a minimum upload/download speed of 25 Mbps.

Requesting Time Off

PTO requests of 3 days or fewer should be submitted at least 5 business days in advance through the HR portal. Requests exceeding 5 consecutive days require 3 weeks' notice and written manager approval.
