

Commercial Property Insurance Policy

Policy Number: CPI-2026-04471

Section 1: Coverage Limits

The insured property is covered for direct physical loss or damage up to a maximum limit of \$2,500,000 per occurrence. The deductible applicable to each claim is \$10,000, except for claims arising from named windstorms, which carry a deductible of 2% of the total insured value.

Section 2: Business Interruption

In the event of a covered loss that results in the suspension of business operations, the policy provides business interruption coverage for a maximum indemnity period of 12 months, subject to a waiting period of 72 hours from the time of the initial loss.

Section 3: Exclusions

This policy does not cover losses caused by flood, earthquake, war, nuclear hazard, or wear and tear. Losses caused by mechanical breakdown are excluded unless a separate Equipment Breakdown endorsement (Form EB-100) has been added to this policy.

Section 4: Underwriting Requirements

Prior to binding coverage, the underwriter must review a current Hazard Report and an Experian commercial credit report. Properties with a Hazard Score above 75 require additional loss control inspection before coverage can be approved. Renewal applications must include updated financial statements covering the most recent 3 fiscal years.

Section 5: Claims Process

Claims must be reported within 30 days of the date of loss. The insurer will assign a claims adjuster within 5 business days of notification. Payment of undisputed claims will be issued within 15 business days following the adjuster's final report.
