Home Goods	\$58.9M	+11.8%
Electronics	\$40.1M	+2.1%

Outlook

Management expects full-year revenue growth of 6% to 8%, driven primarily by continued expansion of the online-only segment. The company plans to open 14 new physical store locations in fiscal year 2027, with a total capital expenditure budget of \$45 million allocated to store buildouts and supply chain infrastructure.

Risk Factors

The company notes that continued inflation in freight and labor costs could compress gross margins by an estimated 0.5 to 1.2 percentage points over the next two quarters if current trends persist.
