

Northbridge Retail Group

Offer of Employment & Employment Agreement

Dear Candidate,

We are delighted to offer you the position of Senior Software Engineer within the Platform Engineering division of Northbridge Retail Group ('the Company'), reporting to the Director of Engineering. This letter, together with the attached Employment Agreement, sets out the full terms and conditions of your employment.

Position Summary

Job Title: Senior Software Engineer

Department: Platform Engineering

Employment Type: Full-time, Exempt

Work Location: Hybrid — Austin, TX office, minimum 2 days per week on-site

Anticipated Start Date: October 20, 2026

Reporting Manager: Director of Engineering, Platform Team

Compensation Summary

Base Salary: \$148,000 per year, paid semi-monthly.

Sign-on Bonus: \$10,000, paid in the first regular payroll cycle following your start date, subject to repayment on a prorated basis if you voluntarily resign within 12 months of your start date.

Annual Performance Bonus Target: 15% of base salary, subject to individual and company performance, paid annually in Q1 following the close of the fiscal year.

Equity Compensation

Subject to approval by the Compensation Committee, you will be granted 4,000 Restricted Stock Units (RSUs) under the Company's 2024 Equity Incentive Plan. These RSUs will vest over a period of 4 years, with 25% vesting on the first anniversary of your vesting commencement date, and the remaining 75% vesting in equal quarterly installments thereafter. Vesting is contingent on continued employment through each applicable vesting date.

Health and Welfare Benefits

You will be eligible to participate in the Company's group health, dental, and vision insurance plans beginning on the first day of the month following your start date. The Company covers 85% of the premium cost for employee-only coverage and 60% of the premium cost for dependent coverage. A summary plan description will be provided separately during onboarding.

Retirement Plan

You will be eligible to enroll in the Company's 401(k) plan on the first day of the month following 30 days of employment. The Company matches 100% of employee contributions up to the first 4% of eligible compensation, and 50% of the next 2%, for a maximum total match of 5%. Matching contributions vest immediately.

Paid Time Off

You will accrue paid time off at a rate of 1.75 days per month (21 days annually), in addition to 10 paid company holidays per calendar year and 10 days of paid sick leave, credited in full at the start of each calendar year.

Relocation Assistance

If your current primary residence is located more than 50 miles from the Austin, TX office, you are eligible for a relocation assistance package of up to \$8,000, reimbursed upon submission of receipts within 90 days of your start date. Relocation assistance is subject to repayment on a prorated basis if you voluntarily resign within 12 months of your start date.

Remote Work Arrangement

This role follows a hybrid work model requiring a minimum of 2 days per week of on-site presence at the Austin, TX office, with the remaining days eligible for remote work. Any change to a fully remote arrangement requires written approval from both your manager and the Director of Engineering, and is reviewed on a semi-annual basis.

Intellectual Property Assignment

As a condition of employment, you agree to assign to the Company all right, title, and interest in any inventions, works of authorship, or other intellectual property you create during the course of your employment that relate to the Company's actual or anticipated business, or that result from work performed using Company resources. This obligation survives the termination of your employment.

Confidentiality

You agree to maintain the confidentiality of the Company's proprietary and confidential information both during and after your employment, in accordance with the Confidentiality and Proprietary Information Agreement attached as Exhibit A. This obligation continues indefinitely following the termination of your employment for any reason.

Non-Solicitation

For a period of 12 months following the termination of your employment for any reason, you agree not to directly or indirectly solicit any employee of the Company to leave their employment, nor to solicit any customer or client of the Company with whom you had material contact during your final 12 months of employment.

At-Will Employment

Your employment with the Company is at-will, meaning that either you or the Company may terminate the employment relationship at any time, with or without cause and with or without notice. Nothing in this offer letter or the attached Employment Agreement shall be construed to alter this at-will relationship.

Severance

In the event your employment is terminated by the Company without cause, you will be eligible to receive severance pay equal to 8 weeks of your then-current base salary, less applicable withholdings, contingent upon your execution of a general release of claims in a form provided by the Company. Severance is not available if your employment is terminated for cause or if you resign voluntarily.

Background Check and Eligibility

This offer is contingent upon successful completion of a background check, verification of your eligibility to work in the United States, and satisfactory reference checks. The Company must receive documentation establishing your identity and employment eligibility no later than your third day of employment, in accordance with federal I-9 requirements.

Offer Expiration

This offer of employment is valid for 7 days from the date of this letter. If we do not receive your signed acceptance by that date, this offer may be withdrawn at the Company's discretion.

Acceptance

To accept this offer, please sign and date both this letter and the attached Employment Agreement, and return them to the People Operations team at people-ops@northbridgeretail.example by no later than the offer expiration date noted above.

Questions

If you have any questions regarding this offer, please contact the People Operations team. We are excited about the possibility of you joining Northbridge Retail Group and contributing to the continued growth of our Platform Engineering team.

Sincerely,

Director of People Operations
Northbridge Retail Group
